

INTERNATIONAL MAARIF SCHOOLS AZERBAIJAN

Mission and Values

1. General Information

International Maarif Schools - Azerbaijan follows an education philosophy based on raising “good people”. We accept human beings as inherently good-oriented, valuable and special beings. The "good person" that we want to raise:

- Is equipped with the knowledge and skills required by the modern world,
- Is able to think critically and analytically;
- Has a scientific perspective;
- Follows moral, cultural and human values;
- Is sensitive to the environment, living things and human rights,
- Is balanced in body, mind and spirit,
- Shows an awareness of their history, homeland and nation,
- Acts with feelings of respect, mercy and justice, and is committed to leaving a happy, peaceful and liveable world to future generations,
- Owns a personality who is productive, sharing and socially responsible.

2. Mission Statement

The mission of International Maarif School - Azerbaijan is: to conduct comprehensive educational activities based on the common heritage of Humanity and the wisdom traditions of Anatolia.

Meanwhile, our vision is: to become a pioneering educational institution training people who will use their knowledge and wisdom at the service of the Peace and the tranquillity of the mankind.

3. Educational Values

International Maarif School - Azerbaijan has the following values:

- Trust
- Cooperation and Solidarity
- Transparency
- Competence and Merit
- Emphasis on Goodness
- Global Education
- Universality
